PRISMA & CUBIC  
SISTEMA MODULARE  
D'ARREDO

PRISMA & CUBIC  
MODULAR FURNITURE  
SYSTEM

# Prisma&cubic

Sistema modulare d'arredo...  
infinite combinazioni ed utilizzi!

Le linee PRISMA e CUBIC sono sistemi modulari per l'assemblaggio di arredi. I due sistemi sono complementari fra loro in quanto utilizzano lo stesso diametro di tubi. Eleganti e funzionali nel design, sono estremamente versatili per assolvere ad ogni necessità in ogni ambiente. La vasta gamma di colori unita alla facilità di montaggio permette di creare forme e funzioni per la casa, negozi, esposizioni, ufficio che sfruttino lo spazio in maniera ottimale e flessibile.

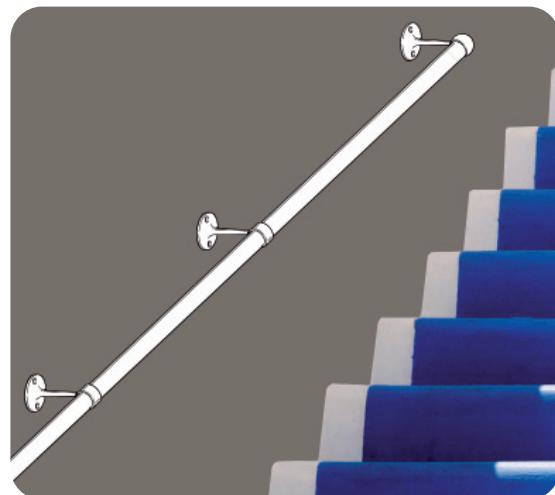

PRISMA e CUBIC are modular system for the assembly of furnishing tubing. The two system use the same diameter of tubing for easy combination. Smart and functional design, a creative solution for modern living. A wide range of colours and easy assembling to give your fantasy a reason to create.
